Participant Ability Level

Please select the participants current skill level

- ☐ **Beginner Level 1**
First-Timers - You have never skied/snowboarded before. You want to start at the very beginning!
- ☐ **Beginner Level 2**
Once or Twice - You've been out once or twice before but you still consider yourself to be a beginner. You want to improve confidence and turning skills and work on speed control.
- ☐ **Beginner Level 3**
Green Runner - You've been up the lift before and you are becoming comfortable making turns on runs designated with a green circle. You would like to work on controlling your speed on steeper green and easy blue runs.
- ☐ **Intermediate Level 4**
Blue Runner - You enjoy the blue groomed runs and want to develop your skills and confidence at a faster speed on all aspects of blue terrain.
- ☐ **Intermediate Level 5**
All Hill Terrain - You are very confident on blue runs and enjoy easier black runs. You would like to build confidence and improve skills on all types of terrain.

Program Fee - please choose
